WORK FROM HOME

How many of these have you done?
Cross them out!

Bingo

Wearing a formal top and pajama pants	Terribly missing office buddies	Finding ways to have a second screen	Saw someone's pet during a call
At least 3 online meetings in a day	Cuddling with pets while working	Thinking of what to cook for lunch	Dressed in 'casual Friday' clothes everyday
Brewing your own coffee	Designating a workspace in the house	Sharing memes with colleagues	Working on the couch
Working in the bedroom	Wore something bright for your virtual meeting	Paced around the living room while in a call	Virtually celebrated a colleague's birthday
Saw someone's child during a call	Stretching in between meetings	Working on the kitchen counter	Not missing rush hour traffic to and from work
