

HOW TO ASK FOR DONATIONS

Donors give for a variety of reasons, but...

The number one reason anyone gives is **because they were asked***

1

THE FIRST PART IS ASKING

Think about **who** you're asking and what's the best way for them to receive the 'ask'. Is it...

In person

Via social media

An email

An old fashioned letter or card

A phone call

A text message

Skywriting
(maybe that's too much...)

2

SUGGEST AN AMOUNT OR RANGE

People feel more comfortable by being given a guide of how much to donate. You could also let them know how much you are hoping to raise.

3

EXPLAIN WHY (THE CAUSE)

Let them know **what** you're doing (giving up alcohol in July) and **why** (to raise money for people affected by cancer)

4

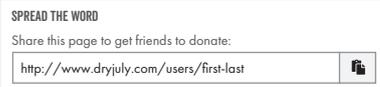

GIVE AN EXAMPLE OF HOW THEIR DONATION HELPS

Find out more about how your funds help our beneficiaries by visiting www.dryjuly.com/how-we-help

5

MAKE IT EASY

Share the link to your unique Dry July URL (team or personal page)

6

ASK MORE THAN ONCE

Many people intend to donate but may need a friendly little reminder

7

SAY THANK YOU

You can do this via your Dry July profile page. It's nice to add a few status updates so people know how you're doing (photos are great too!)
